Sveiki,
Persiunčiu Jinano miesto MoU. Jį atvykę norės pasirašyti, pažiūrėkit, ar viskas tinka. Vėliau turėtų atsirasti konkretesnis dokumentas.
Linkėjimai,
Ina

Dear Amb.,

Jinan sent us the cooperation agreement drafts with these two cities. They want you and two cities to have a look, if you and two cities have any commence or questions, just let them know. And they want to sign them both when they visit the two cities (as you know they will come soon). Would you give them the contact persons from these two cities. They need contact them before. Thanks

Best regards
